

Carriership Assessment Sheet

One sheet per work-photograph pair. Transfer the result into the data layer.

Record identifier	Assessed by	Date
1 · WORK		2 · PHOTOGRAPH
Title	Author	
Maker	Year	
Attribution status	Independent holdings	
Year	Published in	
Carrier type	Reception	
Fixed in place	Place of capture	
Lifespan in days		
Lawfully applied		
3 · EVIDENCE LEVEL – CHECK FROM TOP DOWN, THE FIRST MATCHING ROW APPLIES		
☐ E0	Original exists and is accessible	no carriership
☐ E1	Original exists, access limited	auxiliary carriership
☐ E2	Original destroyed, several independent holdings	substitute carriership
☐ E3	Original destroyed, exactly one holding	sole carriership
☐ E4	as E3, published and reception documented	sole carriership with canonical effect
4 · LEGAL CHECK – NOT LEGAL ADVICE		
☐	Was the photograph taken from a publicly accessible place?	no → freedom of panorama is out, irrespective of everything else
☐	Was the work made to be located permanently in a public place?	unresolved for systematically removed works → to be assessed
☐	Does the intended use go beyond mere depiction?	yes → the limitation covers no adaptation
Result ☐ possible ☐ to be assessed ☐ not applicable		
5 · CARRIER FIDELITY – TICK WHAT THE PHOTOGRAPH TRANSMITS		
☐ Composition	☐ Colour	☐ Letterform
☐ Weathering	☐ Spatial sound	☐ Proportion
		☐ Condition
		☐ Surface
		☐ Material application
		☐ Motion
6 · ATTRIBUTION, COMPENSATION, EVIDENCE		
Compensation	☐ documented	☐ partial
	☐ open	☐ none
Source grade	☐ A	☐ B
	☐ C	☐ D
Sources		
Note, divergences, open points		

Grade D carries no claim. Record divergences between sources expressly. A working aid, not legal advice.
Ethics: no work for defence, military, weapons or dual-use aviation. Tool and data layer: MIT.
